

Omnask School View

An Overview

Overview

In this busy world every parent finds difficulty in monitoring their children's everyday academic performance. Not only Parents, but school administration is also facing a big challenge in sharing students' academic performance, progress, behaviour etc.

Omnask school view project helps Teachers and Parents directly interact with each other through mobile App.

Goals

1. Omnask school project provides a better way for school administration to interact and share student's day to day activities/performance thus helping students and parents to engage in academic success.
2. Helps Parents to understand how their children are performing in school and focus on their highs and lows.

Specifications

Omnask School project comes with two application

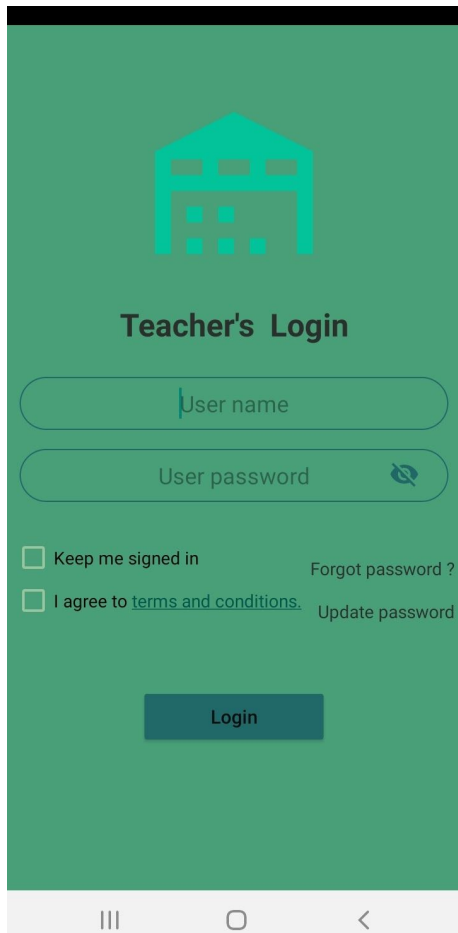

- 1) Teachers View
- 2) Parents View

Teachers View

Teachers View is for school administration and comes with following feature:

- 1) Student Registration
 - Register student information along with Parents, siblings and emergency contacts.
- 2) Daily Attendance
 - Mark Present/Absent.
- 3) Adding homework/assignments
 - Also includes uploading of files such as .doc, .xml, .ppt etc.
 - Evaluation of students homework(Submitted, Not submitted, Checked).
- 4) Direct chat with Parents specific to individual students
 - Chat/Text to parents directly through the app.
 - App also allows you to send files while chatting.

- 5) Exams schedule
 - Upload upcoming exams schedule or class tests along with syllabus to prepare for the same.
- 6) Marks and Progress report
 - School administration can also upload and share performance of students along with marks obtained in Exams/Tests.
- 7) Notice board/Message board
 - Inform Parents directly for any kind of notice.
- 8) Fees
 - Send a reminder to Parents for any kind of fees/dues.

Extra requirements(if any)

If you have any extra requirements then our best minds will be happy to assist you.

Omnask school project is fully customizable as per School's requirement. One can opt out for any features if they don't need it.

We assist school administration throughout the App development process and are happy to help at any point.
